"There is a pleasure in the pathless woods,
There is rapture on the lonely shore,
There is a society, where none intrudes,
By the deep sea, and music in its roar;
I love not man the less, but nature more,
From these our interviews, in which I steal
From all I may be, or have been before,
To mingle with the universe, and feel
What I can ne'er express, yet cannot all conceal."

"Then, window, let day in, and let life out.
Is there no pity sitting in the clouds
That sees into the bottom of my grief?"

Mr. Donald C. Baldwin
Superintendent

Donald C. Baldwin has been superintendent of the Ludington Area Schools for the past two years. He came to Ludington from Rochester, Michigan where he was superintendent of schools also.

Upon coming to Ludington he built a home near the lake. He has a son in school and a daughter in the teaching profession.

Mr. Baldwin is the "man behind the scenes" in the students eye view. He is a person they hear about but never see. A guiding hand is what Mr. Baldwin uses in helping other school officials with the problems involved in running a school.

During the brief time he has been here, Mr. Baldwin has quickly proven himself worthy of the great responsibility he undertook when he became superintendent of schools. He has done a wonderful job in choosing faculty members for our schools and in working with school policies.

He is greatly respected by both faculty members and students.

Queen Billie Kay and escort Randy Seiy lead the traditional first dance.

The Pep Club Float maintains its first place status at the Ludington v. Manistee football game.

Preparation for the 1965 Homecoming ceremonies commenced at daybreak as a horde of students ventured forth to decorate Oriole Field and the adjacent streets. Activities later centered around the traditional Ludington - Manistee game. Preceding the game, the crowning of 1965 Homecoming Queen, Billie Kay Niel, took place.

The homecoming court and escorts assemble on the field for pre-game ceremonies.

Foreign Exchange

Through the operation of the Foreign Exchange program, American students are able to spend two months in a foreign country, plus the advantage of having several foreign students spend a year in our American schools. The main purpose of the program is to aid students in understanding foreign peoples and their customs.

Ludington students traveling abroad this summer include: Sherry Bohjanen in Savon Linna, Finland; Cathy Coyle in Hamburg, Germany; Brian Olmstead in Stuttgart, Germany; and Clay Olmstead in Madrid, Spain.

This year's foreign exchange students at Ludington are: Marketta Joutsen from Helsinki, Finland; Masami Sonoda from Yokohama, Japan; Lennart Damn from Stockholm, Sweden; Chris Jonsson from Halmstad, Sweden; and Thomas Schneider from Castrop-Rauxel, Germany.

From left to right: Masami Sonoda, Thomas Schneider, Lennart Damm, Marketta Joutsen, and Chris Johnsson.

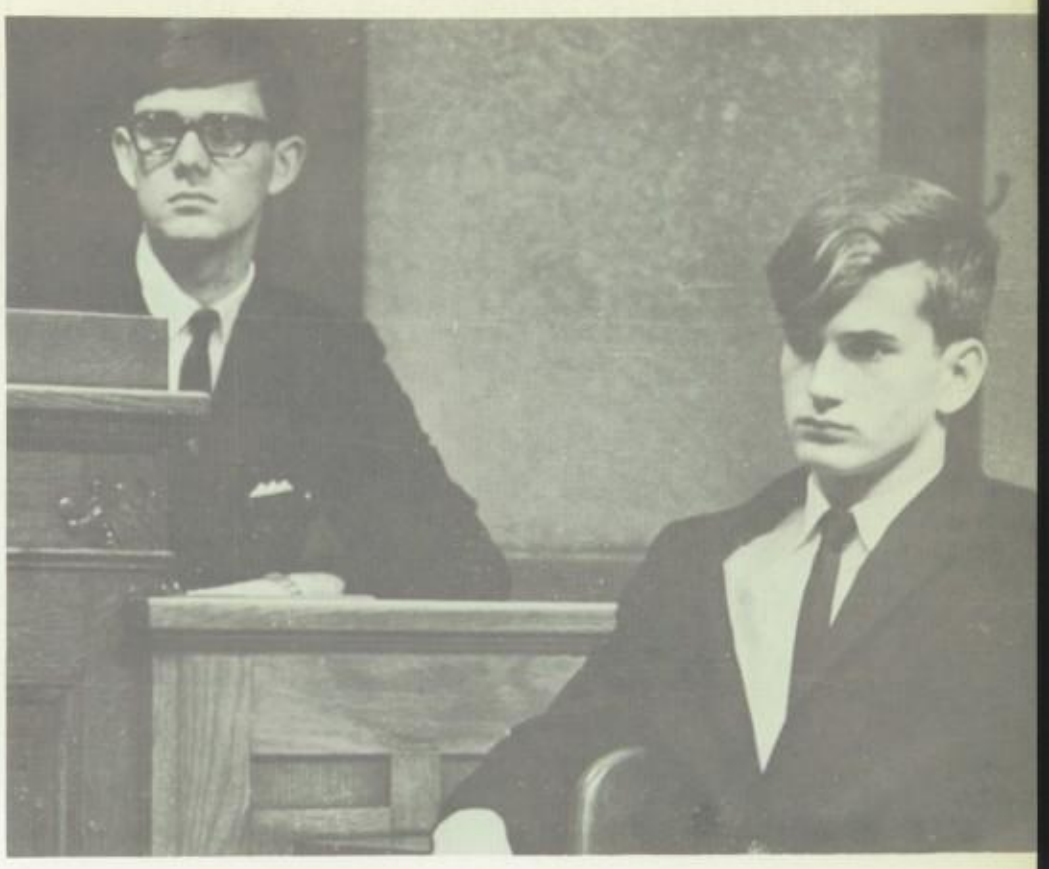
So Lennart says, "So Swedish boys are not as great lovers as some have been led to believe."

The highlight of this year's Senior Play, "The Night of January 16th" was its presentation in the Mason County Court House. Under the direction of Mr. Raymond Galinski, the seniors did a fine job.

Randy questions financier Jim Foy.

Witnesses await their call to the stand.

"Night of January 16th"



Attorneys Barry and Randy question Sherry.

Randy progresses further into case by interrogation of Joan.

"What do you mean my name is not on the list?

Winter Whirl

"Let's take a picture."

Coats, coats, and more coats.

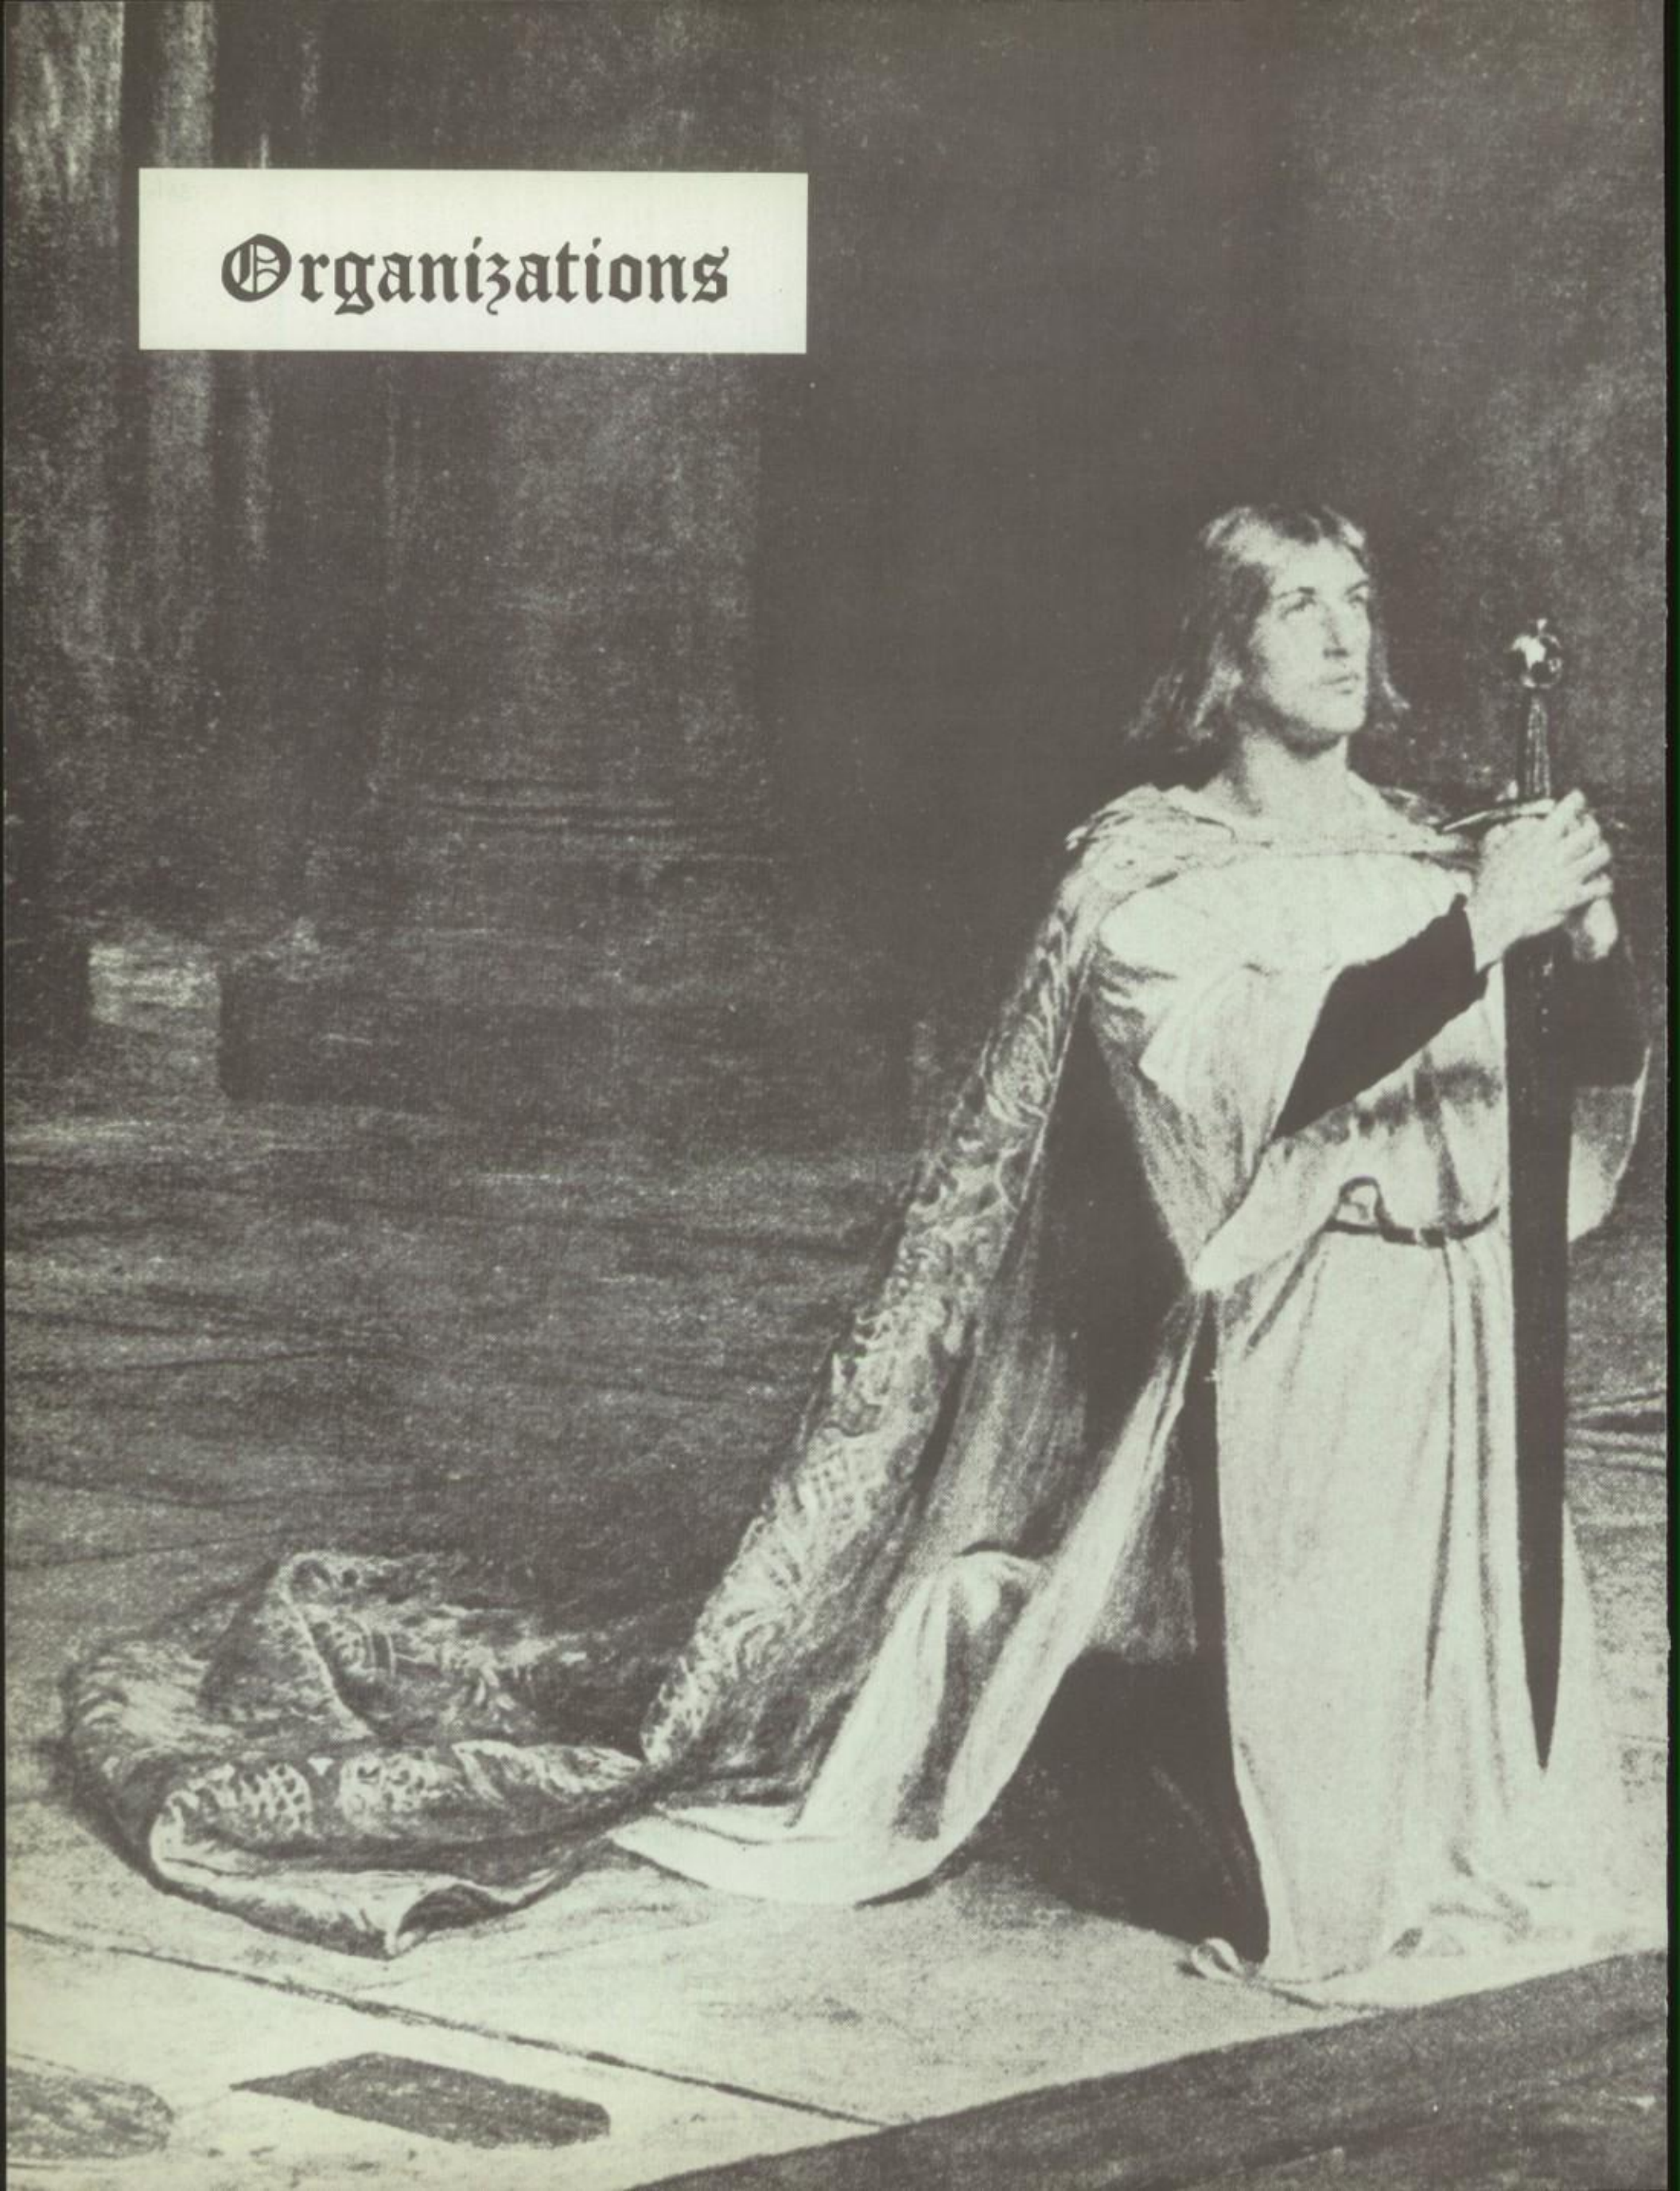
A good time was enjoyed by all.

Organizations



"This, above all; to thine own self be true."

G.A.A.

Members of the Girl's Athletic Association of L.H.S. fin that physical fitness and self-achievement go hand in hand. Girls who win 200 points receive the G.A.A. emblem and those who accumulate an additional 300 points are awarded an "L". Points are earned through active participation in scheduled badminton, basketball, and volleyball tournaments and many other diversified athletic curricula.

The informal and formal initiations, roller skating, ice skating, a Christmas party, progressive games party, fudge sales, and the annual spring banquet complete the G.A.A. agenda for the school year.

Ferguson Electric

Pep Club

The objectives of the members of Pep Club is to promote good sportsmanship and school spirit.

The club promotes the two main objectives by sponsoring the bus to out of town games and helping to arrange Pep assemblies which are popular with the student body. The members also make and display a large variety of posters on the walls of the halls and lobby.

The Pep Club often earns money by selling programs at the basketball games, sponsoring after game dances, and projects that they take on throughout the year.

J.C.L.

Junior Classical League is a national organization open to all students who are taking or have taken Latin. The main purpose of the club is to stimulate interest and educate members in the customs of the ancient Romans.

The highlight of the year, for club members, is the annual Roman Banquet held in May. The club also sponsors a slave auction and celebrate the various Roman holidays at their monthly meetings.

Varsity Club

The main goal of Varsity Club is to recognize and give special merit to those boys which have earned a letter in a varsity sport. Its organization is arranged around many money-making projects, the proceeds from which are used to purchase much needed equipment for the various varsity sports.

Regular activities include an annual banquet an a major trip every other year. Membership involves not only the attainment of a letter but also the passing of a rigid initiation. Mr. Stuart May is the sponsor of the organization.

VARSITY CLUB

Jim Fay, Vice-President; Jeff Petersen, President; Terry Shaw, Secretary-Treasurer.

National Honor Society

The Anna Miller Chapter of the National Honor Society was organized in Ludington High School to honor students who excell in their scholastic work. Members are selected from the junior and senior classes so that the membership does not exceed 10 per cent of the senior class.

Besides scholastic achievement, members must excell in leadership, and service. The entire faculty must recommend a student on these factors with participation both in the classroom and in extra curricular activities being taken into consideration.

The Society is responsible for the Junior Honor Society at the Junior High School and the awards given to Freshman and Sophomores. The annual talent assembly is also sponsored by this organization.

S.T.C.C.

Mr. Dan Dewey serves as the S. T. C. C. faculty advisor.

The Student Teacher Co-operative Commission is the legislative body of Ludington High School. At their bi-weekly meetings the Council discusses problems and makes school policy.

The main purpose of the S.T.C.C. is to represent the student body in fostering better student-teacher understanding. This encourages a mature and responsible attitude of the entire student body.

Besides acting as a governing body, the S.T.C.C. sponsors many activities such as dances, homecoming, and assemblies.

L. H. S. Mayor Bob Goulet conducts S. T. C. C. meetings.

Ski Club

The purpose of the Ski Club is to cultivate an interest in outdoor sports in all students. In Michigan the weather during winter is ideal for skiing.

Ski Club activities are highlighted by a trip to a Michigan ski resort. Last year they traveled to Holiday Hills in Traverse City.

The main method for raising funds for the project is by a number of baked goods sales which in the past have proven successful.

Future Teachers

One of the most active clubs at L.H.S. is Future Teachers of America. This club strives to acquaint its members with the teaching profession.

F.T.A. accomplishes its purposes by cadet teaching programs, meetings with student teachers, lectures and films on teaching techniques.

The cadet teaching program allows the future teacher to see a teacher at work in the age group which interests them.

One of the main projects of F.T.A. was a trip to Michigan State University for lectures and to attend a State football game.

Tribute to Joe Kowatch

It would be impossible to pinpoint in a few words what Joe Kowatch has meant to the Athletic Department of Ludington High School, but from the standpoint of student opinion it has meant pride, distinction, and overwhelming satisfaction. For every basketball minute of the last 14 years there are cherished memories of the great teams that Joe Kowatch has produced.

From the very beginning in 1952 his ability as a coach began to shine. His first team from Ludington fought its way to a 21-2 record and the state semi-finals. The following year his team reached the finals and became state runners up. Not in recent years has his teams done this well but their records have also been outstanding. In 14 short years his teams have produced a 223-58 record. An outstanding record in Michigan athletics.
